

LIP DECLARATION WINE / JUICE

Sale Sample Information:

The following information is provided to assist with wine sample assessment.

In some cases, wine samples may represent blends of several wine parcels or wine stored in multiple vessels.

Composition and allergen details are accurately generated via blend calculation reports.

The analysis provided is gained from analysis on the sample provided for assessment.

A formal, signed declaration statement and up to date wine analysis will be provided following completion of all wine handling operations at Barossa Valley Estate and will be shared with you prior to collection.
